

## High Performance Auxilliary Water Pump

### Product Features

- Long-life, maintenance free design
- Brushless 12 VDC motor
- Light weight
- Delivered with mating connector and crimp pins

### Characteristic curve

### Technical data

Part number	
Nominal voltage	$U_N$ 12 V
Delivery quantity	$V$ 900 dm <sup>3</sup> .h <sup>-1</sup>
Delivery pressure	$p$ 0,1 bar
Direction of rotation	R
Type of duty	S 1
Degree of protection	IP 69 K
Weight	approx. 0,3 kg
